(PURSUANT TO ART. 2501 – *TER* OF THE ITALIAN CIVIL CODE)

21 March 2024

The Boards of Directors of Unipol Gruppo S.p.A. (“**Unipol Gruppo**” or “**UG**” or the “**Merging Company**”), UnipolSai Assicurazioni S.p.A. (“**UnipolSai**” or “**US**”), Unipol Finance S.r.l. (“**Unipol Finance**”), UnipolPart I S.p.A. (“**UnipolPart**”) and Unipol Investment S.p.A. (“**Unipol Investment**” and, jointly with Unipol Finance and UnipolPart I, the “**Intermediate Holding Companies**”) (with the Intermediate Holding Companies, together with UnipolSai, referred to as the “**Companies Being Merged**” and, jointly with Unipol Gruppo, as the “**Companies Participating in the Merger**” or the “**Companies**”) have drawn up, pursuant to art. 2501-*ter* of the Italian Civil Code, this merger plan (the “**Merger Plan**”) pertaining to the merger by incorporation of the Companies Being Merged into Unipol Gruppo (the “**Merger**”).

## INTRODUCTION

- A. Unipol Gruppo is a *holding company* listed on the Euronext Milan regulated market organised and managed by Borsa Italiana S.p.A., parent company of the Unipol insurance Group (the “**Group**”).
- B. UnipolSai is an insurance company of the Group, listed on the Euronext Milan regulated market organised and managed by Borsa Italiana S.p.A., and is active, including through its investees, in the life and non-life segments.
- C. The Intermediate Holding Companies are companies, wholly owned by Unipol Gruppo, which are mainly engaged, privately, in the acquisition of interests and equity investments in other enterprises and companies.
- D. The Merger is part of a project to streamline the Group to which the Companies belong, in order to simplify the Group’s shareholding structure. In particular, the Merger aims to pursue the following main objectives: (A) for the shareholders of Unipol Gruppo to (i) streamline the Group’s corporate structure, while at the same time simplifying the joint management decision-making processes and Group governance; the company that will result from the Merger will be one of the leading Italian insurance companies, listed on regulated markets, and will also act as parent company of the Group, in line with domestic and international best practices and market expectations, (ii) optimise the liquidity and funding profile, (iii) achieve a number of cost synergies linked to the optimisation of the central structures and related activities and (iv) optimise the solid solvency position of the Group, including in the long-term: (B) for UnipolSai shareholders, other than those of Unipol Gruppo and of the Intermediate Holding Companies, to (a) become shareholders of the Unipol Gruppo post-Merger, which will, at the same time, be an insurance company and parent company, (b) hold a share characterised by a degree of liquidity significantly higher than that of the UnipolSai share and (iii) increase their investment in the capital of the Group’s bancassurance business partners (BPER Banca S.p.A. and Banca Popolare di Sondrio S.p.A.), with benefits in terms of expected profitability and diversification in relation to revenue sources and to risk factors.
- E. By virtue of the structure of the transaction and the parties involved, the Merger qualifies as a *‘transaction with related parties of greater significance’* pursuant to the Related Parties Transaction Regulation adopted by CONSOB with decision no. 17221 of 12 March 2010, as subsequently amended and supplemented (the “**RPT Regulation**”). In this regard, the Unipol Gruppo voluntarily decided not to make use of the exemption procedure envisaged for transactions with subsidiaries pursuant to art. 14(2) of the RPT Regulation.
- F. On 15/16 February 2024, the Board of Directors of Unipol Gruppo and UnipolSai, having first obtained the favourable opinion of their respective related parties transactions committees (the “**Committees**”), approved, each within its remit, a framework agreement (the “**Framework Agreement**”) with which they intended to (i) establish the main terms and conditions of the Group’s corporate streamlining project (the “**Operation**”) by means of a Merger, (ii) govern the activities in preparation for and/or functional to its implementation, as well as (iii) establish the associated

time frame, the interim management of the Group companies and the conditions and methods of execution of the Operation.

As part of the Operation, again on 15/16 February 2024, the Board of Directors of Unipol Gruppo approved the decision to launch a full global voluntary tender offer (the “**Offer**” or “**Takeover Bid**”) pursuant to art. 102 of Italian Legislative Decree no. 58 of 24 February 1998 (the “**Consolidated Law on Finance**”) – concerning all the ordinary shares of UnipolSai other than those already held, directly and indirectly, by Unipol Gruppo, and the treasury shares held, directly and indirectly, by UnipolSai.

- G. Today, the Boards of Directors of Unipol Gruppo and UnipolSai – subject to verification by the respective Committees that the conclusions set out in the opinions issued on 14 February 2024 have remained unchanged – along with the Boards of the Intermediate Holding Companies, approved, inter alia, this Merger Plan and also resolved to submit the approval of the Merger Plan to their respective Extraordinary Shareholders' Meetings.
- H. The Merger Plan contains provisions for the case in which, at the end of the Offer and the related subsequent obligations, Unipol Gruppo holds all of the UnipolSai shares and, therefore, the Merger is carried out without application of the Swap Ratio (as defined below).
- I. The Merger is subject to obtaining the authorisation of IVASS, pursuant to and for the purposes of art. 201 of the Private Insurance Code and arts. 23 et seq. of ISVAP Regulation no. 14 of 2008 as well as the other authorisations, approvals and/or permissions envisaged by the applicable regulations (the “**Merger Authorisations**”).

## 2. ARTICLES OF ASSOCIATION OF THE MERGING COMPANY

As a result of the Merger, starting from its effective date, the articles of association of UG will contain a series of amendments so that those of the Merging Company indicate the exercising of insurance and reinsurance activities by UnipolSai, consisting, inter alia:

- (i) in the amendment to art. 1 ("*Company Name*"), in order to include the new name of "Unipol Assicurazioni S.p.A." which the Merging Company will also adopt to highlight in said name the performance of activities reserved to insurance companies;
- (ii) in the amendments to art. 4 ("*Purpose*"), with a view to adapting the corporate purpose of Unipol Gruppo by including, in particular, the exercising of the insurance and reinsurance activities currently carried out by UnipolSai;
- (iii) in the introduction of a new art. 4-*bis* ("*Business Management*"), in order to distinguish between the company's life and non-life activities;
- (iv) in the amendment to art. 5 ("*Share Capital*") to reflect any Capital Increase (as defined below) of Unipol Gruppo required to service the Swap Ratio (as defined below). It should be noted, however, that the final indication of the share capital contained in art. 5 of the articles of association of the Merging Company will be specified in its final amount in the Merger deed, once the exact amount of the share Capital Increase (as defined below) has been determined as indicated in the subsequent Paragraph 4, as well as an indication of the amount relating to the elements of shareholders' equity separately attributed to the life business and non-life segments.

Furthermore, in the context of the Merger, the articles of association of Unipol Gruppo will be amended to incorporate the new provisions contained in Ministerial Decree no. 88/2022 ("Regulation on requirements and criteria of suitability for the performance of the office of corporate officers and those who perform key functions pursuant to art. 76 of the Private Insurance Code, in compliance with Italian Legislative Decree no. 209 of 7 September 2005) and in IVASS Measure no. 142 of 5 March 2024 containing amendments and additions, inter alia, to IVASS Regulation no. 38 of 3 July 2018 laying down provisions on the corporate governance system, as specified in the articles of association attached to the Merger Plan to which reference is made.

In order to facilitate the identification of each of the aforementioned changes, a table is provided in [Annex A](#) to the Merger Plan that compares the current text of the Unipol Gruppo articles of association and the proposed new text.

The text of the articles of association of the Merging Company – which will enter into force from the effective date of the Merger – is attached to this Merger Plan in [Annex B](#), without prejudice to the fact that the final amount of the share capital after the Merger will be specified in the Merger deed, as illustrated in the previous point (iv) of this Paragraph.

The Merger of the Intermediate Holding Companies, on the other hand, will have no effect on the number of shares and the share capital of UG, since the entire share capital of the Intermediate Holding Companies is held by the Merging Company.

### 3. SWAP RATIO

The Swap Ratio was determined by the Boards of Directors of Unipol Gruppo and UnipolSai as amounting to 3 (three) Unipol Gruppo shares, with no nominal value, for every 10 (ten) UnipolSai shares, with no nominal value (the "Swap Ratio").

The Swap Ratio is not subject to adjustments or settlements in cash.

The reasons justifying the Swap Ratio are illustrated in the reports prepared by the Boards of Directors of Unipol and UnipolSai pursuant to art. 2501-*quinquies* of the Italian Civil Code and art. 70 of the Issuers' Regulation, approved by the administrative bodies of the aforementioned companies today, and which will be made available to the Shareholders in the manner and within the terms established by the law and the regulations.

The Merger will be resolved upon using as a reference balance sheets, pursuant to and for the purposes of art. 2501-*quater*(1) of the Italian Civil Code, the draft financial statements as at 31 December 2023 of each of the Companies Participating in the Merger, approved by the respective Boards of Directors on today's date.

As part of the Merger, the Boards of Directors of Unipol Gruppo and UnipolSai made use, inter alia, of financial and methodological advisors of proven professionalism and experience in similar transactions.

In view of the fact that the share capital of the Intermediate Holding Companies is held entirely by Unipol Gruppo, in compliance with the provisions of art. 2505 of the Italian Civil Code, this Merger Plan does not provide for a swap ratio between the shares of the Intermediate Holding Companies and the shares of Unipol Gruppo. In addition, the reports of the administrative bodies and experts shall not be drawn up for the Intermediate Holding Companies as required by art. 2501-*quinquies* and 2501-*sexies*, respectively, of the Italian Civil Code.

Even if, at the end of the Offer, the necessary prerequisites have been met, the Merger between Unipol Gruppo and UnipolSai will take place without application of the simplifications pursuant to arts. 2505 and 2505-*bis* of the Italian Civil Code.

On 20 March 2024, the Court of Bologna, Specialised Corporate Section, – following a joint application filed by Unipol and UnipolSai on 13 March 2024 – appointed KPMG S.p.A. as the joint expert in charge of drafting the report on the fairness of the Swap Ratio pursuant to art. 2501-*sexies* of the Italian Civil Code (the "Joint Expert").

### 4. METHOD OF ALLOCATION OF THE SHARES OF THE MERGING COMPANY

The Merger will be implemented by means of the following transactions, in the order indicated: (i) the cancellation without share swap of the ordinary shares of the Intermediate Holding Companies held by the Unipol Gruppo, (ii) the cancellation without share swap (x) of ordinary UnipolSai shares already held by Unipol Gruppo, (y) of ordinary UnipolSai shares from the Intermediate Holding Companies that have become the property of Unipol Gruppo as a result the elements indicated *under* (i), and (z) of treasury shares held by UnipolSai as at the Effective Date of the Merger (as defined *below*), and (iii) any assignment to UnipolSai shareholders – other than Unipol Gruppo and the Intermediate Holding Companies – of the Merging Company's shares from the Capital Increase (as defined *below*) that may be resolved by the Shareholders' Meeting of the Unipol Gruppo at the same time as the approval of the Merger Plan.

To service the possible allocation to the shareholders of UnipolSai, other than Unipol Gruppo and the Intermediate Holding Companies, of the ordinary shares of Unipol as a share swap, the Merging Company will increase its share capital up to a maximum of €300,782,432.48, through the issuance of a maximum of 125,692,617 new ordinary shares of Unipol Gruppo, with no nominal value (the "Share Capital Increase"). This maximum amount was determined on the assumption that, as at the effective date of the Merger, Unipol has not purchased any UnipolSai shares in the context of the Offer and/or otherwise,

and that all UnipolSai shares servicing existing compensation plans based on financial instruments have been assigned to senior executives.

However, if, at the end of the Offer, Unipol Gruppo should acquire additional UnipolSai shares, the Share Capital Increase will be lower than that indicated above. If, then, Unipol Gruppo holds, directly and indirectly through the Intermediate Holding Companies, the entire share capital of UnipolSai, no Unipol Gruppo shares will be issued to service the Swap Ratio and, therefore, the Capital Increase will not take place.

Therefore, the definitive indication of the share capital, as indicated in art. 5 of the articles of association of the Merging Company, shall be specified in the Merger deed, once the exact amount of the Share Capital Increase has been defined, as specified in Paragraph 2 above. Any new share issue of the Merging Company that may be assigned as a share swap will be listed on Euronext Milan, organised and managed by Borsa Italiana S.p.A., like the ordinary shares already outstanding, and subject to the dematerialisation and central depository system regime at Monte Titoli S.p.A., pursuant to arts. 83-*bis* et seq. of the Consolidated Law on Finance.

A service will be made available to UnipolSai shareholders to allow the number of shares due in application of the Swap Ratio to be rounded up or down to the nearest unit, without added expenses, stamp duty or commissions. Alternatively, different methods may be used to ensure the overall balancing of the transaction.

Any Unipol Gruppo ordinary shares newly issued to service the Swap Ratio will be made available to UnipolSai shareholders based on formats typical of securities centralised with Monte Titoli S.p.A. and dematerialised, from the effective date of the Merger if an open trading day, or from the next available trading day.

The share swap transactions will be carried out through authorised intermediaries, with no charge, expense or commission incurred by UnipolSai shareholders.

#### **5. DATE FROM WHICH THE SHARES OF UNIPOL GRUPPO SUBJECT TO SHARE SWAP CONTRIBUTE TO THE PROFITS**

Any Unipol Gruppo ordinary shares subject to share swap will have regular entitlement rights and will grant their holders rights equivalent to those due, in accordance with the law and the articles of association, to the other holders of ordinary shares of Unipol Gruppo outstanding at the allocation date.

#### **6. EFFECTIVE DATE OF THE MERGER**

Subject to fulfilment of the conditions precedent (or the waiver, as the case may be) indicated in Paragraph 8 below, the Merger will be effective for statutory purposes from the date of the latest registrations with the Bologna Register of Companies prescribed by art. 2504-*bis* of the Italian Civil Code, or at a later date indicated in the Merger deed (the “**Effective Date of the Merger**”).

From the Effective Date of the Merger, the Merging Company will automatically take over all equity, assets and liabilities of the Companies Being Merged and all the rights, interests and entitlements, as well as all related obligations, commitments and duties of any kind, in compliance with the provisions of art. 2504-*bis*(1) of the Italian Civil Code.

For accounting purposes, the transactions carried out by the Companies Being Merged will be recognised in the financial statements of the Merging Company from 1 January of the year in which the statutory effects of the Merger are produced. Tax effects will also start from the same date.

**7. TREATMENT POSSIBLY RESERVED FOR PARTICULAR CATEGORIES OF SHAREHOLDERS AND HOLDERS OF SECURITIES OTHER THAN SHARES – POSSIBLE SPECIAL ADVANTAGES PROPOSED TO DIRECTORS**

There are no particular categories of shareholders or holders of equity securities other than shares. Consequently, no special treatment is envisaged for any category of shareholders. No particular advantages are envisaged for the directors of the Companies Participating in the Merger.

It should be understood that, in compliance with the Regulation on increased voting rights adopted by the Merging Company (the “**Regulation on Increased Voting Rights**”), where the Unipol Gruppo swap shares are concerned, the increased voting rights may be extended pursuant to art. 127-*quinquies* of the Consolidated Law on Finance with the same seniority as the shares already recorded in the relative special list kept by UnipolSai (with consequent retention of the increased voting benefit if already accrued). Therefore, the holders of the legitimising right in rem, under the terms and conditions set forth in the Regulation on Increased Voting Rights, will have the right to request registration in the special list also with reference to the increased shares or shares received through the share swap with the same seniority of registration as the shares already registered on the UnipolSai special list.

**8. CONDITIONS TO WHICH THE COMPLETION AND EFFECTIVENESS OF THE MERGER ARE SUBJECT**

The completion of the Merger is subject to the fulfilment, by the date of signature of the Merger deed, of the following conditions:

- (a) the issuance of the Merger Authorisations;
- (b) the absence of any order, deed, injunction and/or measure from the Authorities that prevents execution of the Merger and/or that is in any event such as to significantly alter the assessments underlying the determination of the Swap Ratio;
- (c) the issuance by the Joint Expert appointed pursuant to art. 2501-*sexies* of the Italian Civil Code of a positive opinion on the fairness of the Swap Ratio;
- (d) approval of the Merger Plan by the Extraordinary Shareholders' Meetings of the Companies Participating in the Merger;
- (e) the total disbursement to be shouldered by Unipol Gruppo for any exercising of the Right of Withdrawal (as defined below) not exceeding Euro 100,000,000.00;
- (f) the non-occurrence, with reference to Unipol Gruppo and/or UnipolSai, of any fact, event or circumstance, occurring after today's date and before the execution date of the Merger that has a significant negative impact on the respective legal relations, the economic and financial position and/or the earnings prospects of at least one of the Companies and/or is in any event such as to significantly alter the assessments underlying the determination of the Swap Ratio;
- (g) in relation to any agreements and/or contracts (including any amendments) to which Group companies are party that require consent to the Merger and the termination of which, due to lack of consent, is likely to have a significant negative impact on legal relations, the economic and financial position and/or the earnings prospects of at least one of the Companies and/or is in any event such as to significantly alter the assessments underlying the determination of the Swap Ratio, either: (a) obtainment of consent from the contractual counterparty, where necessary; or (b) renegotiation or termination of the respective agreements and/or contracts with outcomes sufficient to permit the Merger; and
- (h) the completion of trade union consultations pursuant to art. 47 of Law no. 428/1990 in relation to the Merger.

It should be noted that only the conditions pursuant to the preceding points (e), (f), (g) and (h) may be waived by Unipol Gruppo and UnipolSai with the prior written consent of both companies.

## 9. WITHDRAWAL

The holders of ordinary Unipol Gruppo shares who did not agree to approve the Merger Plan and, therefore, the amendment of the corporate purpose of Unipol Gruppo, will have the right of withdrawal pursuant to art. 2437(1)(a) of the Italian Civil Code, due to the change in the corporate purpose clause of Unipol Gruppo (the “**Right of Withdrawal**”).

The entitled shareholders may exercise the Right of Withdrawal within 15 (fifteen) days from the registration with the Register of Companies of Bologna of the decision authorising such a step against payment of the liquidation value equal to €5.27 for each Unipol Gruppo share, as determined at the meeting of the Board of Directors of Unipol held on 15/16 February 2024, subject to the favourable opinion of the Board of Statutory Auditors and the independent auditors, in compliance with the provisions of art. 2437-*ter* of the Italian Civil Code, or by making exclusive reference to the arithmetical average of the closing prices posted by Borsa Italiana S.p.A. during the six months prior to the publication of the notice of call of the Extraordinary Shareholders' Meeting of the Merging Company called to approve the Merger Plan.

The effectiveness of the Right of Withdrawal is dependent on the finalisation of the Merger and conditional on the total disbursement required of Unipol Gruppo to cover the Right of Withdrawal not exceeding Euro 100,000,000.00, unless this condition is waived in accordance with Paragraph 8 above.

Any approval of the Merger resolution will not give rise to any right of withdrawal in favour of UnipolSai shareholders, as none of the conditions foreseen by art. 2437 of the Italian Civil Code or in other legal provisions have been satisfied.

Communications and any additional information to shareholders will be made and disclosed in accordance with the applicable legal and regulatory provisions.

\*\* \* \*\*

The documentation required by art. 2501-*septies* of the Italian Civil Code will be filed within the terms and in the manner prescribed by law and the applicable regulations.

This is without prejudice to additions and/or updates (including numerical) to the Merger Plan, as required or permitted by the regulations, and/or by the competent supervisory authorities or by the public authorities or by any the management companies of the regulated markets concerned, or at the time of registration with the competent Register of Companies or, lastly, dependent on the completion of the Merger, as structured in this Merger Plan.

## **CHAPTER II**

### **Capital - Shares – Shareholders’ Meetings**

#### **ARTICLE 5 - Capital**

The share capital is € [•] ([•]), divided into [•] ([•]) registered common shares, without nominal value.

The share capital is allocated for € [•] to operations relating to non-life insurance and reinsurance and for € [•] to operations relating to life insurance and reinsurance.

The legal reserve is allocated for € [•] to operations relating to non-life insurance and reinsurance and for € [•] to operations relating to life insurance and reinsurance.

The share premium reserve is allocated for € [•] to operations relating to non-life insurance and reinsurance and for € [•] to operations relating to life insurance and reinsurance.

The revaluation reserves are allocated for € [•] to the sole management of non-life insurance and reinsurance.

The other reserves are allocated in the amount of € [•] to operations relating to non-life insurance and reinsurance and for € [•] to operations relating to life insurance and reinsurance.

The negative reserve for Treasury Shares in the portfolio is fully allocated, for € [•] to the management of non-life insurance and reinsurance.

Among the shareholders' equity items there are no statutory reserves or profits and/or losses carried forward.

The law provisions referring to the nominal value of shares are applied in relation to the ratio between the number of shares and the total issued shares.

By means of a subsequent amendment to the By-Laws, categories of shares associated with different rights may be created.

If the capital is increased by means of an increase in the number of shares, the newly-issued shares shall be subject to the pre-emption right of the shareholders of the Company.

The capital may also be increased by granting benefits in kind or receivables.

The option right does not apply to the newly-issued shares which, in accordance with the resolution to make the increase, must be paid up in full or in part by granting benefits in kind.

The option right may not be granted on newly-issued shares, subject to a limit of ten percent of the pre-existing share capital, provided that the issue price corresponds to the market value of the shares and that this is confirmed in an appropriate report from the company of auditors.

The Extraordinary Shareholders' Meeting may also, in accordance with current legislation, resolve to increase share capital reserved for the Company's employees or even for the employees of parents and subsidiaries.

## **ARTICLE 6 - Shares**

The shares are registered. Where the law allows, if they are fully paid-up they may be converted into bearer shares by and at the expense of the Shareholder. In the event of joint ownership the regulations established by Article 2347 of the Civil Code shall apply.

Each share gives the right to one vote, notwithstanding the provisions of the next paragraphs.

Notwithstanding the provisions of the previous paragraph, each share shall give right to a double vote (i.e., two votes for each share) if both of the following conditions are met:

- a) the share belonged to the same entity, by virtue of a legitimate right in rem to exercise the voting right (full ownership with voting rights or bare ownership with voting right or usufruct with voting right) for an ongoing period of at least twenty-four months;
- b) the occurrence of the condition under (a) is certified by continuous registration, for a period of at least twenty-four months, in the special list purposefully set up by the Company pursuant to this article (the "Special List").

Without prejudice to the fact that the increase in voting rights shall automatically accrue once twenty-four months have passed after registration in the Special List, the acquisition of the increase in voting rights will become effective on the first of the following dates: (i) the third open market day of the calendar month following the one in which the conditions required by these By-Laws for the increase in voting rights occurred; or (ii) the so-called record date of a possible Shareholders' Meeting of the Company, determined pursuant to currently applicable legislation, following the date on which the conditions set out in these By-Laws for the increase in voting rights were met.

The Company sets up and keeps the Special List at the registered office, in the form and with the contents required by currently applicable legislation, in which those Shareholders wishing to benefit from the increase in voting rights shall register. The Special List is subject to the provisions on the Register of Shareholders contained in Art. 2422 of the Italian Civil Code and Art. 83-undecies of Italian Legislative Decree No. 58 of 24 February 1998, insofar as they are compatible.

In order to obtain registration in the Special List, the entity legitimated under this article must submit an appropriate application, attaching a communication certifying the ownership of the shares for which the application has been submitted, issued by the intermediary the shares are deposited with, in accordance with currently applicable legislation.

The increase in voting rights may be requested even for only part of the shares held by the holder. In the case of entities other than natural persons, the request shall also specify whether the entity undergoes direct or indirect control by third parties and the identification data of the controlling entity (if any) (and the related chain of control).

The registrations in the Special List are made, by the Company, by the third open market day from the end of each calendar month and, in any case, by the so-called record date provided for by the regulations in force in relation to the right to participate and vote at the Shareholders' Meeting (if before).

The Company shall proceed with the cancellation from the Special List in the following cases:

- a) waiver of the party concerned referring to all or part of the stated shares for which registration in the Special List has been made;
- b) communication of the party concerned or intermediary proving that the conditions for the

increase in the voting rights have ceased or the loss or interruption of the ownership of the legitimate right in rem and/or the related voting right;

- c) ex officio, if the Company is informed of the occurrence of facts that result in the conditions for the increase in voting rights to cease or the loss or interruption of ownership of the legitimate right in rem and/or the relative voting right.

The increase in voting rights already accrued or, if not yet accrued, the period of ownership needed for the increased voting right to vest is retained:

- a) in case of pledge, usufruct or other lien on shares with retention of voting rights by the holder of the legitimate right in rem;
- b) in case of succession due to death in favour of the heir and/or legatee;
- c) in case of merger or spin-off of the holder of the legitimate right in rem in favour of the company resulting from the merger or beneficiary of the spin-off;
- d) in case of transfer from an UCITS to another UCITS (or from one segment to another of the same UCITS) managed by the same Asset Management Company;
- e) in case of intra-group transfers by the holder of the legitimate right in rem in favour of the entity controlling it or in favour of companies controlled or subject to joint control by it. To this end, the concept of control is that of legal control provided for in Art. 2359, par. 1, no. 1, of the Italian Civil Code.

The increase in the voting right is extended:

- a) in proportion to the newly issued shares, in the event of a capital increase free of charge pursuant to Art. 2442 of the Italian Civil Code and a capital increase paid through new contributions made while exercising the option right;
- b) the shares assigned in exchange for those to which the increased voting right is attributed, in case of a merger or spin-off, where this is required by the relevant project;
- c) in proportion to the newly issued shares, in the event of exercising conversion right connected to convertible bonds and other structured debt securities, as long as this is provided for by regulations for these financial instruments.

In the cases under letters (a), (b) and (c) of the previous paragraph, the new shares acquire the increased voting rights: (i) for newly issued shares due to the holder in relation to shares for which this increase has already accrued, from the time of registration in the Special List, without the need for a further accrual of the continuous ownership period; (ii) for newly issued shares due to the holder in relation to shares for which the increase in voting rights has not already accrued (but is in the process of accruing), from the time of completing the period of membership calculated from the original registration in the Special List.

The increase in the voting right ceases:

- a) in case of transfer for consideration or free of charge of the shares, it being understood that “transfer” means any transaction involving the transfer of shares as well as the creation of a pledge, usufruct or other lien on the shares when this results in the loss of voting rights by the Shareholder. In case of a transfer for consideration or free of charge of only part of the shares with increased voting right, the transferor retains the increased voting rights on shares other than those transferred;
- b) in case of direct or indirect transfer of controlling interests in companies or entities that hold voting shares with increased voting rights above the threshold set forth in Art. 120, par. 2 of Italian Legislative Decree No. 58/1998.

The entity granted the increased voting right is always entitled to irrevocably (entirely or partly) waive the increase in voting rights at any time, by means of a written communication to be sent to the Company. In any case, the entity waiving the increase in voting rights (entirely or partly) is entitled to request the re-registration of their shares (in whole or in part) in the Special List, also with reference to those shares for which the waiver had previously been made. In relation to these shares, the increase in voting rights shall accrue after a new period of ongoing ownership of at least twenty-four months, under the terms and conditions provided for in this article.

The increase in voting rights is calculated to determine the setting and voting quorums that refer to portions of the share capital, but has no effect on the rights, other than voting rights, due by virtue of the ownership of certain portions of the share capital.

Unless otherwise provided for, for the purposes of this Article the concept of control is that set forth in the regulatory framework for listed issuers.

#### **ARTICLE 7 - Transferring Shares**

Shares and the corresponding option rights may be freely transferred in accordance with the law.

#### **ARTICLE 8 - Shareholders' Meetings**

Shareholders' Meetings are convened in accordance with the formalities provided for by law, in a single call by applying the majorities required by law, and are held at the registered office or anywhere else in Italy indicated in the notice of meeting.

The notice of meeting containing the information required by current legislation must be published on the Company's website, within the terms set by law and in the other ways required by current legislation or regulations.

The notice of meeting may also fix the dates of the second, third and any subsequent meetings to be

held if the quorum required by the law for each of the previous meetings is not reached.

Ordinary Shareholders' Meetings shall be convened at least once a year, in order to approve the annual financial statements, within 120 (one hundred and twenty) days or, if permitted by the law, within 180 days (one hundred and eighty) of closure of the financial year.

In compliance with applicable laws and regulations, the Ordinary Shareholders' Meeting, in addition to establishing the compensation of members of the bodies appointed by the same, approves the remuneration policies, including for the Group, of the corporate bodies and of the personnel identified as relevant including remunerations plans based on financial instruments.

The Shareholders' Meeting may also be convened, subject to prior notification being sent to the Chairman of the Board of Directors, by the Board of Statutory Auditors or by at least two of its members.

The Board of Directors shall convene an ordinary or extraordinary Shareholders' Meeting without delay if requested to do so by Shareholders representing at least one twentieth of the share capital, provided that the request indicates the matters to be dealt with. In such case the report on the matters to be discussed shall be prepared by the Shareholders that have requested the Meeting to be called. Convocation by request is not permitted on matters which, under the terms of the law, must be discussed by the Shareholders' Meeting on a proposal from the Board of Directors or on the basis of a draft or report submitted by the latter.

Moreover, Shareholders who, alone or jointly with others, represent at least one fortieth of the share capital may, in the manner and within the terms prescribed by the regulations currently in force, request to make additions to the list of matters to be discussed at the meeting, indicating in the request the further matters proposed by them or may submit proposals for resolutions on matters already on the agenda. Anyone entitled to the right to vote may submit individual proposals for resolution in the Meeting.

#### **ARTICLE 9 - Procedures for Shareholders' Meetings**

The proper constitution of Shareholders' Meetings and the validity of resolutions passed by them are governed by law. For resolutions relating to the appointment of the Board of Directors and the Board of Statutory Auditors, the provisions of Article 10 and 17 of these By-Laws shall apply.

Resolutions of the Shareholders' Meeting relating to the carrying out of transactions with related parties of major relevance, to be carried out despite the disapproval of the Committee for Transactions with Related Parties or without taking account of its comments, are passed in accordance with the provisions of the Procedure for Transactions with Related Parties adopted by the Company.

Proxies are entitled to attend and vote at the Shareholders' Meeting provided the Company has received the proxy forms certifying said legitimacy from the approved intermediary, completed in

accordance with current legislation.

Each person entitled to vote may be represented at the Shareholders' Meeting by a proxy appointed in writing or with an electronic document signed electronically in accordance with current legislation. A proxy may be appointed electronically by certified e-mail, in accordance with the procedures indicated in the notice of the meeting.

For each Shareholders' Meeting the Company may designate one or more people whom those entitled to vote may appoint as their proxy and provide with voting instructions for some or all of the motions on the agenda. The parties designated and the procedures and deadlines for appointing proxies are indicated in the notice of the meeting.

The Board of Directors may, for individual Shareholders' Meetings and in accordance with current legislation, allow members to participate and vote remotely, including electronically, provided that it is possible to identify the parties entitled to do so and ensure that communication is secure. The notice of the meeting must in this case specify the procedures for participating in the business of the shareholders' meeting, including by reference to the Company's website.

Shareholders' Meetings are chaired by the Chairman of the Board of Directors, or, in his absence, by the Vice Chairman, or, if he too is absent, by a Director, or, failing that, by someone elected by the majority of the capital represented.

Unless the minutes are drawn up by a Notary, the Chairman of the Shareholders' Meeting is assisted by a Secretary proposed by the Chairman and appointed by those attending, assisted if necessary by two scrutineers, one appointed by the Chairman and one by those attending. It is the Chairman's task to ensure that the Shareholders' Meeting is properly constituted, to verify the identity and legitimacy of those attending, to conduct and regulate the work of the Shareholders' Meeting, to select the system of voting and to verify the results of the voting. The results of these verifications must be recorded in the minutes.

The Rules of Procedure for Shareholders' Meetings govern how they shall be conducted, except where the Shareholders' Meeting adopts different procedures on a case by case basis.

## **CHAPTER III**

### **Management**

#### **ARTICLE 10 - Administrative Body**

Management of the Company is entrusted to a Board of Directors made up of no fewer than 15 and no more than 25 members, appointed by the Shareholders' Meeting – which also decides how many of them there should be – in accordance with the procedures mentioned below. In any case, it must be ensured that the administrative body can function properly and does not have excessive numbers.

The Directors must possess the requisites and eligibility criteria for the office set forth by the provisions of law and regulation in force at the time, and dedicate the time required to perform the office, so as to ensure the sound and prudent management of the Company.

The composition of the Board of Director must be taken to ensure a minimum number of independent Directors and the balance between the sexes on the Board of Directors in accordance with the provisions, including regulatory and self-governance provisions, regulations in force over time.

The failure of a Director to meet the independence requirements will not result in his or her removal from office if the requirements continue to be met by the minimum number of independent Directors specified above.

In order to be allowed to take office Directors must meet the pre-requisites and satisfy the eligibility criteria foreseen by current legal and regulatory requirements.

Directors are appointed for three years or for a shorter period fixed by the Shareholders' Meeting when making the appointment and are eligible for re-election.

Members of the Board of Directors are elected on the basis of lists, containing a number of candidates not to exceed twenty-five, submitted by the Board of Directors and/or Shareholders who at the time they are submitted are entitled to vote at the relevant Shareholders' Meeting. The candidates on each list must be listed by means of a serial number.

Lists containing a number of candidates equal to at least 15 (at least the minimum number of members of the Board of Directors set forth by these By-Laws) must also contain and expressly indicate parties satisfying the above-mentioned independence requirements. Where the number of candidates meeting the requirements in question is equal to the minimum number established by the applicable provisions, including regulatory and self-governance provisions, the last progressive number of said lists (where they contain a number of candidates between 15 and 19) or the last two sequential numbers of these lists (where they contain a number of candidates between 20 and 25) cannot be assigned to an independent candidate pursuant to one or more of said provisions.

Furthermore, each list containing a number of candidates equal to or greater than three must have a number of candidates belonging to the least represented gender which ensures that within each list gender balance is respected to the minimum extent required by regulations in force over time, rounding, in the case of a fraction: (a) down, for lists containing five or fewer candidates; ; or (b) up, for lists containing more than five candidates.

In cases of lists containing a number of candidates equal to at least 15, where the number of candidates belonging to the less-represented gender is equal to the minimum established by the legislation in force at the time, the last progressive number of said lists (where they contain a

number of candidates between 15 and 19) or the last two progressive numbers of said lists (where they contain a number of candidates between 20 and 25) may not be assigned to a candidate belonging to the less-represented gender.

As indicated in the notice of the Shareholders' Meeting any lists submitted by Shareholders must reach the Company by the twenty-fifth day preceding the date of the Shareholders' Meeting called to decide on the appointment of members of the Board of Directors and be made available to the public at the registered office, on the Company's website and in any other ways required by current legislation and regulations at least twenty-one days before the date scheduled for the Meeting.

Any list submitted by the Board of Directors must be approved by a resolution passed by the absolute majority of the members in office; this list must be filed with the Company and made public by the latter at least five days prior to the deadline established by regulations in force for the filing of lists by shareholders, with the same methods as those set forth by regulations in force for the filing and publication of lists submitted by shareholders.

Each shareholder, shareholders belonging to a relevant shareholders' agreement under Article 122 of Legislative Decree 58 of 24 February 1998, the parent, subsidiaries and joint ventures in accordance with Article 93 of Legislative Decree 58 of 24 February 1998 may not submit or participate in submitting more than one list, even through an intermediary or trust company, nor may they vote for lists other than the one that they have submitted or participated in submitting, even through an intermediary or trust company, and in order to be eligible each candidate may appear on only one list. Any support and votes cast in breach of such provision shall not be allocated to any list.

Shareholders who, alone or in combination with others shareholders, hold the total number of shares laid down in accordance with current legislation and regulations and that will be mentioned on a case by case basis in the notice of the Shareholders' Meeting will be entitled to submit lists.

Ownership of the shareholding required for submitting lists is based on the shares registered to the Member(s)/proxy(ies) on the day on which the lists are deposited with the Company.

The following must be deposited along with each list (i) declarations in which the individual candidates accept nomination for office and affirm that they are eligible and compatible and fulfil the requirements for taking on the various roles, including compliance with the limits on the total number of posts that may be held as laid down in current legislation and regulations; (ii) the curriculum vitae of each candidate covering his/her personal and professional profile and, if relevant, a statement of suitability to be deemed to be independent pursuant to the applicable regulations, and (iii) the additional information required by legislation and regulations, which will be included in the notice of the Shareholders' Meeting.

The certificate issued by an authorised intermediary proving ownership of the number of shares required for the submission of the list may be produced when the list is deposited, or even

subsequently provided that it is within the deadline laid down in current legislation for the Company to publish the list.

Lists that are submitted without these provisions being observed are deemed not to have been submitted.

Each person entitled to vote may vote for only one list.

The procedure for electing the Board of Directors is as follows:

- a) from the list that has obtained the highest number of votes cast by the shareholders (the 'Majority List') nine tenths of the number of Directors to be elected are drawn, based on the order in which they appear on the list, rounded up in the event of a fraction. In the event that the shareholders cast the same number of votes, the Shareholders' Meeting will vote again and the Majority List that obtains the highest number of votes is elected;
- b) the remaining Directors will be taken from the other lists (hereinafter referred to as the 'Minority List(s)'). For this purpose, the votes obtained by these Minority Lists will be subsequently divided by one, two or three, in accordance with the serial number of the Directors to be elected.

The quotients obtained in this way will be allocated one by one to the candidates on each Minority List, in the order provided.

The quotients allocated in this way to the candidates on the Minority Lists will be arranged on a single descending scale. Those who have obtained the highest quotients will be elected, up to the number of Directors to be elected.

In the event that several candidates obtain the same quotient, the candidate who is elected will be taken from the Minority List from which no Director has yet been elected or from which the lowest number of Directors has been elected. In the event that none of these lists has yet elected a Director or all have elected the same number of Directors, the candidate who is elected will be the one on these lists who has obtained the highest number of votes. In the event that there are the same number of list votes and the quotients are the same, the Shareholders' Meeting will vote again and the candidate who obtains the highest number of votes will be elected.

If on completion of the voting the composition of the Board of Directors does not result in this balance between the sexes, candidates of the sex that is in the majority who, taking account of the order in which they are listed, were the last on the majority list to be elected are replaced, in the number needed to ensure that the requirement is fulfilled, by the first unelected candidates on the same list of the sex that is in the minority. If the majority list does not contain sufficient candidates of the sex that is in the minority to act as replacements, the Shareholders' Meeting appoints additional members of the Board of Directors according to the majorities laid down in law, ensuring that the requirement is fulfilled. The same applies if, after voting, the breakdown of the Board of Directors does not enable compliance with the quota of independent Directors.

In the event that only one list is submitted or no list is submitted, the above procedure will not be observed and the results of the voting at the Shareholders' Meeting will comply with the majorities laid down in law, in any event ensuring the presence of Independent directors and respect for gender balance, according to the provisions of these By-Laws.

The voting by list mechanism applies only in the case of the appointment of the entire Board of Directors.

In accordance with Article 2386 of the Civil Code, if one or more Directors cease to hold office during the year, provided the majority are Directors appointed by the Shareholders' Meeting, also in compliance with the legislation, including that of a regulatory nature currently in force, the following procedure will be followed:

- i) the Board of Directors appoints the deputies from among the candidates belonging to the same list as the departing Directors in order starting with the first non-elected candidate, provided that, if the Deputy must meet the requirements of independence and/or must belong to the least represented gender, the first unelected independent candidate on the same list will be appointed and/or the first unelected candidate belonging to the least represented gender on the same list; the Meeting, at its first session, will pass resolutions resolve with the legal majorities while complying with the same criterion;
- ii) if the above list does not contain candidates not previously elected, or candidates with the requirements demanded, or in any case when, for any reason, it is not possible to comply with the provisions of point i) above, the Board of Directors provides for the replacement of the departing Directors without observing what is set forth in point i), while, nevertheless, ensuring the presence of Independent directors and/or respect for gender balance, according to what is laid down by the provisions of these By-Laws; similarly, the subsequent Meeting acts accordingly with the legal majorities without a list vote.

If there ceases to be a majority of the Directors appointed by the Meeting, the entire Board will be deemed to have resigned and the Meeting must be called without delay by the Directors still in office for the reconstitution of it according to the above schedule.

If it has been decided that the number of Directors shall be below the maximum provided for in this Article, during the Board's period of office the Shareholders' Meeting may increase the number up to this maximum. For the resolutions appointing additional Board Members and replacing Directors pursuant to Article 2386 of the Italian Civil Code, the Shareholders' Meeting resolves with the majorities required by the law without the use of lists, ensuring in any event the presence of Independent directors and respect for gender balance according to the provisions of these By-Laws.

## **ARTICLE 11 - Principal Officials**

The Board of Directors elects from among its members a Chairman, a Vice Chairman and a Secretary, the latter not necessarily being a member of the Board.

#### **ARTICLE 12 - Meetings and Resolutions of the Board of Directors**

The Board of Directors meets at least once a quarter, also for the purpose of reporting promptly to the Board of Statutory Auditors on business performance and major economic and financial operations carried out by the Company or by its subsidiaries and, more specifically, on transactions in which Directors have an interest for themselves or on behalf of third parties.

The Board of Directors also meets whenever the Chairman or acting Chairman deems it appropriate or when it is requested in writing by at least one third of the Directors in office.

Shareholders who, alone or in combination with other shareholders, hold the total number of shares laid down in accordance with current legislation and regulations relating to electing the members of the Board of Statutory Auditors will be entitled to submit lists.

2. from the minority list that obtains the highest number of votes at the Shareholders' Meeting, the remaining Auditor and the other Alternate Auditor are drawn, based on the order in which the candidates are listed in the sections of this list (the 'Minority List'). Chairmanship of the Board of Statutory Auditors falls to the person whose name is first on the Minority List.

An Auditor must step down in the cases provided for in the relevant legislation and if the requirements of the By-Laws for the appointment are not fulfilled.

If a Statutory Auditor must be replaced, the replacement is the Alternate Auditor from the same list. If both the Auditor elected from the Minority List and the Alternate Auditor from the same list have to be replaced, the candidate appointed will be the one who is next in order on the list or, if there isn't one, the first candidate on the minority list that received the second highest number of votes.

The replacement procedures described in the paragraphs above shall in any case ensure compliance with the regulations in force over time on gender balance.

In the event that only one list is submitted or no list is submitted, the results of the voting at the Shareholders' Meeting will comply with the majorities laid down in law, in any event ensuring respect for gender balance, according to the provisions of these By-Laws.
