The UnipolSai Group ended the first quarter of 2024 with a **consolidated net profit** of €235m compared to €231m for the corresponding period of the previous year.

**Direct insurance income**, including reinsurance ceded, stood at €4,200m in the first three months of 2024, up 8.7% on the figure of €3,865m recorded at 31 March 2023, and 9.8% on a comparable basis<sup>1</sup>.

**Non-Life Business**

Direct income from the **non-life business** at 31 March 2024 amounted to €2,280m, recording a significant increase (+8.7%<sup>1</sup>) compared to the same period in 2023. All the Group sales channels and main business divisions contributed towards this growth.

More specifically, UniSalute continues to make impressive progress (+23.1%) and is now a leader in its target market, thanks in part to consolidation of the UniSalute 2.0 project whereby the Group agency and bancassurance distribution networks offer UniSalute health products directly to their customers.

There was a positive performance recorded by the **MV** business with growth of 11.2% and premiums of €1,062m, while the **Non-MV** business collected €1,218m in premiums, with growth of 6.6%<sup>1</sup> compared to the first quarter of 2023.

Income levels in all the Ecosystem lines of business were positive.

The **Mobility Ecosystem** recorded insurance income of €1,165m (+11.4%), reinforcing its position along the entire mobility value chain.

The **Welfare Ecosystem** reported income of €495m as at 31 March 2024 (+9.3%<sup>1</sup>), with a significant increase in the health division (+14.4%<sup>1</sup>), while the **Property Ecosystem** grew 3.7%<sup>1</sup> with income of €620m.

The Group **combined ratio**<sup>2</sup> stood at 91.1% compared to 94.4% in the first quarter of 2023 and 94.8% restated on a comparable basis<sup>1</sup>.

The **pre-tax result** for the non-life business amounted to €290m compared to €284m in the first quarter of 2023, reflecting a higher contribution from the insurance business on the one hand and a lower financial result on the other.

### Life Business

The Group registered an 11.1% increase in direct income in the **life business**, which stood at €1,920m. Against a backdrop of unchanging interest rates, production continued to concentrate on traditional products with a view towards optimising the net flows of segregated accounts.

The **pre-tax result** for the **life business** amounted to €68m, up on the figure of €53m for the first three months of 2023.

### Other Businesses

There was a **pre-tax loss** in other businesses of €5m, an improvement on the loss of €7m recorded in the accounts as at 31 March 2023.

### Financial Management

The gross return on the Group's financial insurance investment portfolio recorded a combined return of 3.9% on invested assets, of which 3.3% from coupons and dividends, while the return for the first quarter of 2023 stood at 4.1% (coupons and dividends 3.2%).

### Solvency

The individual solvency ratio of UnipolSai at 31 March 2024 amounted to 307% (313% at 2023 year end). The consolidated solvency ratio based on the economic capital<sup>3</sup> was 322% (320% at 31 December 2023).

### Presentation of results to the financial community

A conference call will be held starting from 12:00 p.m. today during which sell side financial analysts and institutional investors may submit questions to the chief executive officer and senior management on the results as at 31 March 2024.
